MULTNOMAH COUNTY

Dear Applicant:

Thank you for your interest in joining our team. We are a growing company and we expect to have various employment opportunities throughout the year. For that reason, Nature Bake and Dave's Killer Bread will be partnering with the WorkSource Portland / SE Works office on 6927 SE Foster Road on all our job openings.

To improve your chances of being selected for an interview, you are encouraged to complete the WorkSource Registration Process – also known as the “Welcome Process.” You can find WorkSource registration information on the web page below. Please contact SE Works (503- 772-2300) to confirm when they assist job seekers with the Welcome Process Registration and plan on spending a few hours to complete your Welcome Process. Please be sure you have some form of identification (driver's license, ID card, etc.) with you so that staff can verify you are who you say you are. You may also be able to complete some of the registration requirements at home by going to this web site:

<https://www2.worksourceportlandmetro.org>

The following registration steps need to be completed prior to employment:

1. i-match skills profile / resume
2. WIN - reading and math on-line assessment
3. Prosperity Planner - a budget reflecting income / expenses before starting your new job

If you are selected for an interview you will be required to complete one of our Employment Applications prior to the interview.

Thank you again for your interest,

Human Resources Department
